## **ITALY INNOVAZIONI SPA: Temporary suspension of trading on shares**

Rom, 24 april 2020

ITALY INNOVAZIONI S.P.A. communicates that following the umpteenth anomalous and highly speculative operation attempted on its title (**ISIN cod.: IT0005336521**) and finalized to the manipulation of the same stock, has decided to request, temporarily, the suspension of any type of trading activity.

The Company – highlighting the correctness of the decision – decided to proceed in this way with the aim of protecting its shareholders and the value of their investment. The Company has also activated an interview with the Supervisory Authority with the aim of finding other information on what happened and with the aim of cooperation to restore as soon as possible the trading activities.
