ITALY INNOVAZIONI SPA: Restarts trading activity on shares

Milan, 09 March 2021

ITALY INNOVAZIONI S.P.A. communicates that the causes of the temporary suspension of the negotiation on its stock (ISIN cod.: IT0005336521) requested by the company were the frequent transactions that the company considered as anomalous. After conducting the appropriate verifications done by the company, Italy Innovazioni S.p.A. requested to resume the regular trading activity on the stock. Euronext will then issue a note specifying the trading resumption conditions. Euronext also specifies that trading activity will start again on March 12, 2021.
